LONDON, UK – 16 September 2009. Invenio Business Solutions today announced that it has joined the SAP® Extended Business program. Invenio has joined forces with CSI Solutions GmbH, an SAP channel partner, to promote, implement and develop solutions for small businesses and midsize companies across the U.K..

“During the past two years, Invenio has experienced tremendous success in growing and cultivating our services portfolio in support of SAP solutions,” said Partho Bhattacharya, managing director, Invenio. “We are 100-percent focused on delivering consulting services of excellent quality in support of SAP solutions. This focus on quality has resulted in an invitation to work more closely with SAP through membership in the SAP Extended Business program.”

“I am delighted to welcome Invenio as a member of the SAP Extended Business program,” said Stephen Read, director of SME, SAP U.K. and Ireland. “We look forward to working with Invenio as a part of our ecosystem, to deliver business value to small and midsize enterprises.”

Laura Coles, marketing director at Invenio concluded, “By joining the SAP Extended Business program, Invenio has made a formal commitment to building a long-term, business relationship with SAP. We intend to nurture and extend it through providing truly innovative and cost-effective solutions to our customers. All in all, we view this as a tremendously exciting opportunity for Invenio to grow and expand its practice and we look forward to enabling our customers to realise real returns through deployment of tailored and highly functional SAP solutions.

About Invenio: Invenio offers best-in-class services in support of SAP solutions to customers at a sensible price point – without compromising on quality. Our service portfolio includes global support and maintenance, customisation and development, upgrades and implementations, training, industry solutions and product enhancements. Formed in 2006 the company operates from locations in London and Reading, UK, and Mumbai and New Delhi, India. The company’s ethos of providing the best talent in support of SAP solutions within a fixed-cost, fixed-scope contract, has helped us to acquire a reputation within the industry for service excellence, and has led to a number of blue-chip companies retaining our services for all their requirements. www.invenio-solutions.com

SAP Forward-looking Statement

Any statements contained in this document that are not historical facts are forward-looking statements as defined in the U.S. Private Securities Litigation Reform Act of 1995. Words such as “anticipate,” “believe,” “estimate,” “expect,” “forecast,” “intend,” “may,” “plan,” “project,” “predict,” “should” and “will” and similar expressions as they relate to SAP are intended to identify such forward-looking statements. SAP undertakes no obligation to publicly update or revise any forward-looking statements. All forward-looking statements are subject to various risks and uncertainties that could cause actual results to differ materially from expectations. The factors that could affect SAP's future financial results are discussed more fully in SAP's filings with the U.S. Securities and Exchange Commission (“SEC”), including SAP's most recent Annual Report on Form 20-F filed with the SEC. Readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as of their dates.
