LONDON, UK – 28 January 2010. Leading SAP practice Invenio Business Solutions today announced that it has been elevated from the SAP Extended Business Member (EBM) program to VAR status with immediate effect.

Invenio joined SAP's innovative SAP Extended Business Member programme (SAP EBM) in July 2009. With the company's dedication to deliver SAP solutions and services in the UK, and with a key focus on the SME marketplace, Invenio has become the first SAP EBM to be awarded SAP Value Added Reseller status.

Partho Bhattacharya, Invenio's Managing Director said "Invenio have operated in the SAP marketplace for several years and our exclusive focus on SAP has allowed us to realise tremendous success in growing and cultivating our SAP solutions and services portfolio. We remain 100% focused on SAP and this new partnership level will enable us to develop and refine our SAP services portfolio, and expand the excellent quality of work we deliver in the marketplace."

Robert Furnivall, Head of Channel at SAP UK & Ireland said "We are delighted to welcome Invenio into the Value Added Reseller community. We look forward to building on this relationship to ensure that customers continue to benefit from SAP solutions expertise, delivered by an experienced and highly capable partner".

Laura Coles, Marketing Director at Invenio concluded "The SAP Value Added Reseller accreditation is a great endorsement of the work the Invenio team are doing to help customers realise their business goals through the deployment of SAP. In securing this status, Invenio now looks forward to building a long-term, strategic business partnership with SAP through providing truly innovative and cost-effective SAP solutions to our customers. Throughout 2011 we intend to grow and expand our SAP practice - and we look forward to delivering SAP solutions that help our customers streamline and improve efficiencies for accelerated business growth".
